PROFESSIONAL SUMMARY

Computer Science undergraduate graduating in 2027 with experience in React web development, API integration, and cloud projects. Skilled in JavaScript, Python, and SQL, with hands-on full-stack internship experience.

TECHNICAL SKILLS

Frontend: React.js, JavaScript, HTML5, CSS3, Tailwind CSS
Backend & Data: REST APIs, Node.js, FastAPI, Firebase, MySQL, SQL, Python
Tools: Git, GitHub, VS Code, Docker, GitHub Actions, Nginx, AWS
Fundamentals: Data structures and algorithms, database management systems

WORK EXPERIENCE

Altimetrik | Project Intern | Jul 2026 - Oct 2026

- Contributed to backend development and API integration for an application project.
- Worked with AWS cloud technologies as part of the project.

WSA (Web Stack Academy) | Full Stack Web Development Intern

Remote | March 2026 - April 2026

- Developed responsive web interfaces using HTML, CSS, JavaScript, and React.
- Worked on MERN-stack application development following SDLC practices.
- Practiced REST API integration and full-stack development concepts.

PROJECTS

Catering Service Website | Live Website | 2025 - 2026

Technologies: React.js, Tailwind CSS, JavaScript

- Developed a responsive catering website with service packages, an image gallery, and inquiry forms.
- Built reusable UI components using React.js and styled the interface with Tailwind CSS.

GHS Kalasuru Silver Jubilee Digital Portal | Live Portal

Technologies: React.js, Tailwind CSS, Firebase

- Built a bilingual event management website with QR access and alumni engagement features.
- Developed a responsive interface using React.js and Tailwind CSS.

Blue-Green Deployment System

Technologies: Docker, Nginx, GitHub Actions, Docker Compose

- Built a blue-green deployment system using Docker containers to support zero-downtime application releases.
- Implemented a CI/CD pipeline to automate build, testing, and deployment workflows.

EDUCATION

GM University, Davanagere | B.Tech, CSE - Data Science

Expected graduation: 2027 | CGPA: 7.6/10

CERTIFICATIONS AND LEADERSHIP

AWS Cloud Foundations Training Badge | 2026
Deloitte Data Analytics Job Simulation
Google Student Ambassador | 2024 - 2025
